Bärbel Schomberg Joins Supervisory Board of HAHN-Immobilien-Beteiligungs AG

Bärbel Schomberg joined the supervisory board of HAHN-Immobilien-Beteiligungs AG at the end of August 2013.

For more than three decades, Hahn Group has developed investor portfolios as asset managers of retail real estate. The Group's unique selling proposition is its exclusive concentration on the market segment of large-scale retail properties and its concomitant competence in value preservation. Hahn Group has more than 2.3 billion euros in assets under management, spread across over 150 locations in Germany. Relying on the experience of more than 170 real estate funds and institutional fund products launched, it controls and monitors the entire value chain of the retail properties under its care.

Prior to setting up her consultancy firm Schomberg & Co. Real Estate Consulting, Bärbel Schomberg served in senior positions in the real estate and financial industry for nearly 30 years. As a member of the BVI Federal Investment and Asset Management Association and as managing director of real estate fund companies belonging to Commerzbank, Dresdner Bank and SEB Bank AG, she gathered a wealth of experience in the European real estate sector.

"Hahn Group counts among the very successful asset managers in the retail real estate segment. Its growth, and above all the sustainability of its development, are clearly impressive. I am therefore very pleased to join the Group's supervisory board," stated Bärbel Schomberg, Managing Partner of Schomberg & Co. Real Estate Consulting.
